EXPERIENCE

REPORTER

ENERGY & ENVIRONMENT REPORTER

Freelance (Jan 2020 - present)

- Cover national news in California and the West with a focus on climate, environment and political stories

The Hill (Jan 2018 - Jan 2020)

- Wrote daily climate, environment and energy news for TheHill.com, the #2 political news website with 30.9 million unique visitors
- Reported news stories from the U.S. Capitol covering bill movement, agency hearings and administration oversight
- Generated a number of key scoops through agency and congressional sources, FOIA requests, data dives and investigations
- Covered the resignation of three agency heads, the ethical circumstances that surrounded it and investigations that ensued
- Wrote enterprise and explainer pieces for the website and the daily print edition
- Reporting featured on MSNBC's The Rachel Maddow Show and CNN's Erin Burnett OutFront

POLITICAL WRITER

CNN (April 2017 - Jan 2018)

- Provided political news coverage across CNN.com writing an average of 3-5 stories per day to an audience of more than 120 million
- Coverage focused on science, EPA and the Interior Department in addition to general politics
- Worked with data and visual reporters to develop break-out stories on agency mispending
- Reporting appeared on air during CNN's Anderson 360 and Jake Tapper's The Lead

NATIONAL POLITICAL REPORTER

Scripps News (Mar 2014 - April 2017)

- Reported and wrote a range of daily political articles and feature pieces for 34 Scripps News affiliate websites and its national site
- Reported from primary states, conventions and at various battleground states as Scripps' sole campaign reporter for the 2016 election
- Produced enterprise pieces across the country on issues including immigration, the refugee crisis and agriculture
- Wrote, produced and hosted digital videos for Scripps partner Newsy
- Hosted TrailMix 2016, a political podcast with 7,000 weekly downloads

REPORTER

Newsweek & The Daily Beast (April 2012 - Oct 2013)

- Stored, retrieved, and manipulated data
- Modified existing softwares to correct errors
- Prepared detailed reports
